## SUMMARY

---

Motivated individual with a strong foundation in OOP, proficient in Python, Java (100+ problems solved), and experienced in web technologies like HTML, CSS, JavaScript, React, and MySQL. Completed 2+ web development projects with responsive design and dynamic functionality. Led my college team in IITM Alumni's Tinkathon, earning recognition for excellence. Skilled in leadership and collaboration, with experience organizing and representing my college in technical events. Seeking a challenging role to apply my technical expertise, problem-solving, and leadership skills in a fast-paced environment.
